### **DANCER ARRIVAL & DISMISSAL:**

1. All dancers are required to wear a mask to enter the building and masks must be worn during the duration of their dance class. Masks must be worn properly, covering both mouth and nose. Masks are available for \$5 each.
2. There is absolutely no waiting in the lobby permitted. Parents are welcome to drop-off/pick-up their child or wait in the car until class has finished. An extra staff member will be on site to make sure the dancers enter and exit the building safely.
  - a. The one and only exception is Early Dance. Early Dancers are permitted one (1) parent/guardian to wait in the lobby during class in case they need to use the restroom. Parents must wear a mask and keep 6 feet physical distance from other parents. Absolutely no siblings are permitted to wait with the parent.

4. Upon entering the studio, all dancers are required to sanitize their hands.
5. Students will not be allowed to congregate in the lobby before or after class.
6. To allow dancers to safely exit and to allow extra time for disinfecting if necessary, all classes will end at 20 mins after the hour. Classes that were previously 60 mins will now be 50 mins for the foreseeable future and 90 min classes will now be 80 min. Ex) If your 60 min class starts at 5:30pm, please pick up your dancer at 6:20pm.
